

Risk Assessments

ANGLO carries out Risk Assessments for centre operations, separated into the following areas:

- Campus
- Activity
- Excursion
- Academic

For each area there are many Part A risk assessments (one for each type of session that takes place at an ANGLO centre). Part A risk assessments are added, updated and reviewed before students arrive.

On a daily basis there is a single Part B 'Risk Log' document. This is a 'live' document which serves to record and communicate risks to staff, students and group leaders.
